MASON FIRE DEPT.

FEBRUARY 2021 COMMITTEE REPORT

1. **Mason Fire Department responded to a total of 17 incidents for the month of January with a 100% response rate:**
    - **13 EMS Calls**
    - **2 Structure Fires (Tipton County)**
    - **1 Motor Vehicle Accident (No Injuries)**
    - **1 Rubbish Fire**

2. **One fire hydrant on Charleston Mason Road requires immediate repairs.**

3. **After running an ad in the Covington Leader, there have been no additional bids for the provision of services to revamp the town's hydrant system. Current pricing remains at $65.66 per hydrant for annual maintenance and testing for three years. Each three-year contract correlates with three years of needed hydrant records and maintenance for ISO, NFPA, and AWWA.**

4. **All turnout gear quotes will be provided during the board presentation for evaluation.**

5. **Ladder quote updates.**

6. **It is recommended that the listing price for the department's rescue truck be changed from $40,000 to $30,000 so attract more potential buyers.**
